Tucked away amid unspoilt Norfolk countryside, award-winning Dairy Barns is a working family farm providing six cosy guest rooms, three inviting suites and two self-catering holiday cottages, just a hop, skip and a jump from the glorious Norfolk coast and the ever-popular Broads. Covering 360 acres of environmentally managed grazing marshes and arable land, Ian Deane runs the farm while wife Hannah looks after the guests. A relaxed ambience in which to escape from everyday life, you can book up for a few days or a much longer break. The kids will love watching farmer Ian in action, or getting up close and personal with the horses and ponies.

Breakfast is the most important meal of the day. So, in true farmhouse fashion, you'll be treated to a morning meal made from free range eggs laid by the farm's chickens, locally grown fruit and vegetables, and Hannah's famous mouth-watering homemade waffles. If you can't be bothered to make your way over to the main barn, spoil yourself with a well-earned lie-in and a leisurely breakfast in bed!

Whatever your design preference, there's a room that will take your fancy, from the aptly named Norfolk Lavender, to the super-spacious Barn Owls Retreat (each suite is spread over two floors and has its own private garden!). Those all-essential finishing touches come courtesy of chocolates on the pillow, fresh flowers, a variety of glossy magazines and, of course, the high quality bed linen, guaranteeing a good night's sleep. If you'd rather unwind in the residents-only lounge, there's a fantastic

selection of books, board games and local information available, so you can chill out with a wine glass in hand, or get out of the rain (should the British summertime be misbehaving!).

In search of the perfect picnic spot? The farm can prepare food hampers on request, and if you're looking for advice on local restaurants, the friendly staff are only too happy to help – just ask if you require a dinner reservation. If you'd like to take over the whole place for a group getaway or family reunion, there's enough room for everyone!

A dream venue for functions and corporate events, why not host your wedding or anniversary party here? Whether you'd prefer a sit-down meal, buffet, barbecue or hog roast, you can tailor your day to suit you, with flowers, music and cake all in order, so you only need to concentrate on having a good time!
