NORFOLK BED & BREAKFAST

## DAYS OUT IN FEBRUARY

Norfolk starts to emerge from the short winter days in February with lots of outdoor activities to keep you busy, have a filling breakfast, wrap up warm and make the most of the winter sunshine, remembering that you have a warm cosy room to return to in the evenings! Here are a few local activities.

**The Seals at Horsey** have now finished having their pups, almost 1,500 since November, but there are still plenty to be seen playing in the sea and on the beach. There are some great walks that incorporate the beach and Horsey Mere which is the home of the National Trust Mill.

**Fairhaven water garden** in South Walsham, really is a garden for all seasons with wonderful woodland walks down to the river. They are open 10 – 4 every day and week commencing 11 February they have “signs of spring week” and “design a den week” which is great for the children. <http://www.fairhavengarden.co.uk> 01603 270449

### **Saturday 18 February Fairhaven hosts “Star Night”**

Telescopes, talks and teas all evening with the friendly astronomers from Norwich Astronomical Society. Please feel welcome to bring your own telescope if you have one. Wrap up warm. No torches please - it destroys your night vision. Hot food, tea, coffee and cake will be available in the tearoom from 7pm. Shaun Reynolds will be talking about "In search of the Milky Way": a guide as to where, when and how to look for the majestic milky way, together with photographing it around Norfolk, Suffolk and the UK's most incredible coast. Showing Images taken along the way. £3.50 adult; £2 child. Tickets available online in advance or can be bought on the door.

### **The Canoe Man – Otter spotting on the River Bure**

### **Feed the Lambs at Wroxham Barns**

**<http://www.wroxhambarns.co.uk/> 01603 783762**

The thing I like about Wroxham Barns is the children love the junior farm and I love the restaurant and shopping, so it keeps everyone happy. When local farmers have orphaned lambs or when ewes can't feed triplets, these fluffy little bundles of fun come to Wroxham Barns where the dedicated team at Junior Farm takes on the task of bottle-feeding them. From Saturday 11<sup>th</sup> February they'll be holding lamb bottle-feeding sessions daily at 11am, 1.30pm and 3.30pm and visitors can come along and help. It's fantastic fun, enjoyed by all ages. There is also a full programme of daily activities on Junior Farm, including cuddle, grooming and feeding sessions with the lambs, goats, pigs, rabbits, chick and ponies as well as indoor play and crafts.

This month's choice for a lovely lunch or afternoon tea.....

### **Small sticks café**

Open Thursday to Sunday in February 10 – 3

(01692)583368

You'll find them at the end of Cart Gap Road, off the B1159, in Happisburgh (near Stalham), next to the beach and Lifeboat Station, NR12 0QL. Or follow the coastal path from Sea Palling to Cart Gap and head off the beach where the life boat ramp is and enjoy the walk, it is about 25 minutes from Sea Palling.

They offer light lunches and delicious coffee and cake, what's not to like!
