

DAIRY BARNS

NORFOLK BED & BREAKFAST

Ideas, inspiration and our own personal recommendations for days out, walks and things that we love to do that we know you'll love too! There's something special to uncover around every corner.
Have fun, The Dairy Barns Team

From Dairy Barns, make your way to the A149 and follow the signs towards **North Walsham** and then towards **Cromer** (you will pass a Waitrose – perfect if you want to pick up some picnic goodies.) Look out for the sign for **The Gunton Arms** (on your left) as this would be a great choice if you are looking for somewhere for supper on the way home, located within a deer park some menu choices are cooked on an open fire in the restaurant – so something unusual!

Back on the A149, at **Thorpe Market** take the left turn signposted Felbrigg Hall, National Trust follow signs for approx. 3 miles. The 520 acres of Parkland is open all year-round and parking is just £2 all day (free for National Trust members). There are well-maintained, waymarked circular walks varying between 1½ to 4½ miles. Opening times and admission prices vary for the Hall and walled gardens and there is a tea room, gift shop, second hand books and plant sales too. The walled gardens are well worth a visit during spring and summer. Dogs are welcome on leads in the Parkland and there is a new family activity Spring Nature Trail to help you explore the woodland. **Felbrigg Hall NR11 8PR Tel: 01263 837444**

On leaving Felbrigg, turn left out of the gate and head to the main A148 turning left towards Holt. En route are a couple of other places for a walk West Runton and Beeston Regis Heath. Turn right opposite The Roman Camp Inn at Aylmerton and the entrance is about 800 yards on the left off Sandy Lane. There is woodland and open heathland with fabulous coastal views perfect for that picnic.

A little further along the main A148 is Pretty Corner on your right off the main road with waymarked routes through the woods, a childrens trail and also free parking.

Another option is to head to Sheringham Park, National Trust also signposted off the A148. Entrance to the park is free though parking is £5.20 (but we think it's worth it!) It's a landscaped woodland park designed by Humphrey Repton. There are walks and high viewing platforms giving amazing coastal views for miles around. It is beautiful all year but especially in May when the rhododendrons and azaleas are in bloom. You could treat yourself to afternoon tea at the Dales Country House Hotel, entrance alongside the park.

Finally, on to Holt. On arrival in Holt keep going to the roundabout, turn right and then right again to the town centre where the closest car parking is signposted and set off to explore the historic Georgian town with its boutiques, galleries, bookshops and many antique shops tucked away in various alleys and courtyards. Make sure you have time to take in the Folly Tea Room & Garden – a gorgeous vintage tea rooms with delicious tea, scrumptious cake, light lunches and friendly service. **Folly Tea Room, Hoppers Yard, Bull St, Holt NR25 6LN Tel: 01263 713569**

Other nearby places of interest include: Letheringsett Watermill – the only watermill in Norfolk still milling flour with guided tours and a mill shop. **Riverside Road, Letheringsett NR25 7YD. Tel: 01263 713153**

The North Norfolk Railway the “Poppy Line” – a heritage steam railway running between the coastal town of Sheringham and Holt, stopping also at Weybourne. The station at Holt is a mile from the town centre and in peak summer months a vintage Routemaster bus takes passengers between the train and the town. **Sheringham - NR26 8RA; Weybourne - NR25 7HN; Holt - NR25 6AJ Tel: 01263 820800**
