## **Norfolk Open Studios 23 September to 8 October**

<https://norfolkstudios.org.uk/>

Norfolk Open Studios is a well-loved annual event which celebrates the creativity and talent of Norfolk makers and creators. Artists at all stages of their careers take part, from school and college students through to emerging artists and established and professional artists. Each year artists welcome visitors into their

working space – this might be in their own home, studio, garage/shed or garden – to share their work and skills and sell their art. Studios are free to visit and visitors don't need to book in advance, unless they are a large group. All Norfolk based visual artists are invited to take part – painters, sculptors, weavers, furniture and jewellery makers will be involved each year, to name but a few! Many will also offer events, demonstrations, and workshops alongside their open studio, to share skills and offer people the chance to have a go themselves.
